

# Get solar panels without any initial investment!!

Call 024 480 8847 for a free site inspection.

We supply a solar energy installation for your factory, warehouse office, or other commercial building including finance.

## Benefits:

- You pay less per month for your energy than you do now!
  - Up to 35% reduction on your ECG bill.
  - Fixed price per month without any surprises!
  - You pay towards an asset instead of paying to your energy company.
  - No up-front investment needed.
  - After the lease period you get 100% benefit from your solar production for another 10 years.
- Positive environmental impact.
